OB/GYN Opportunity in Knoxville, TN

Outstanding opportunity with well-established and successful private practice group, East Tennessee OB/GYN Specialists, with Mercy Health Partners.

Our private practice provides a partnership opportunity with excellent benefits and generous relation package. Convenient call schedule and office location - we're located within the hospital complex. Each physician currently averages 15 – 20 deliveries per month and call is one in six. You'll work in a state of the art **St. Mary's Women's Pavilion**, with 22 LDRP's, full-time anesthesia coverage and a Level II-B Neonatal Intensive Care Unit. **St. Mary's Medical Center** enjoys a stellar reputation for women's care and has an excellent nursing staff with very low turn-over.

Knoxville sits in the foothills of the Great Smoky Mountains and has a wide array of out-door and cultural offerings including professional opera, ballet, symphony and theater. The many area lakes and parks make outdoor activities easily accessible. We have excellent public and private schools and we are home to the University of Tennessee's main campus. Listed for the third consecutive year in the **Forbes Top Ten "Best Places for Business and Careers,"** it's a wonderful place to live.

If interested, please send formal CV and contact: Karen McKinney, Director, Physician Recruitment, Mercy Health Partners, Knoxville, TN, 865-549-4529, kmckinne@stmaryshealth.com

THE FELLOWSHIP IN FAMILY PLANNING

Various Locations

The Fellowship in Family Planning offers a unique opportunity for post-residency fellowship training in reproductive health for obstetrics and gynecology residents in 14 prestigious universities in the United States.

The objective of the program is to develop specialists focused on research, teaching, reproductive health policy, international health, and clinical practice in contraception and abortion. Working with respected and innovative leaders in the field, fellows receive training in clinical and epidemiologic research, develop clinical and teaching skills, have opportunities to work internationally, and connect to a rapidly expanding network of family planning experts. During the two year program, each fellow is funded to complete a Masters of Public Health or Science, an international family planning rotation and an independent research project. The fellowship financial package also includes post-graduate year 5 and 6 salary, loan repayment up to \$20,000 per year, and funding for attendance at conferences and workshops.

Since its inception at the University of California, San Francisco in 1992, the fellowship has grown to 14 sites at leading institutions in the United States and has taken the first steps to become a new subspecialty certified by the American Board of Obstetrics and Gynecology.

Graduated fellows and directors have established a growing network of family planning specialists who work in academic settings, as international consultants or with organizations focused on family planning services and research.

The Fellowship in Family Planning is currently located at the following institutions:

- Boston University
- Columbia University
- Emory University
- Harvard School of Medicine
- Johns Hopkins University
- Northwestern University
- Oregon Health & Sciences University
- University of California, San Francisco
- University of Chicago
- University of Illinois at Chicago
- University of Michigan
- University of Pittsburgh
- University of Southern California
- Washington University

Please visit our web site, www.familyplanningfellowship.org, for more information regarding the current fellowship sites, and our online application process.

THE CHILDREN'S HOSPITAL OF PHILADELPHIA

Philadelphia, PA

The Center for Fetal Diagnosis and Treatment at the Children's Hospital of Philadelphia is launching a new paradigm in high-risk fetal care and seeks candidates for a MFM or obstetrician position to support the newly created Special Delivery Unit opening in June 2008. Our center attracts patients nationally and internationally (more than 1000 evaluations/year with about 100 fetal surgical procedures a year). Research opportunities are extensive and would be encouraged. Applicants must have an M.D. or D.O. degree, and be board certified in Obstetrics and Gynecology. Board certification or eligibility in maternal-fetal medicine may facilitate academic career development. Applicant should have a primary interest in labor and delivery management, with experience in noninvasive prenatal diagnosis, ultrasound, and invasive prenatal diagnosis and therapy skills being desirable but not a requirement.

Exciting developments of a state-of-the-art Special Delivery Unit (SDU), growing to an anticipated volume of 300 to 400 deliveries within the first 5 years of operation. The SDU will be a unique clinical and research unit offering personalized, family-centered care. Responsibilities include clinical work centering on management and delivery of pregnancies complicated by congenital anomalies. An outpatient facility located adjacent to the SDU will house the MFM, reproductive genetics, and fetal echocardiography groups, as well as specialized imaging for ultrafast fetal and 3-D MRI to allow enhanced multidisciplinary clinical evaluations and coordinated care. This new unit will be devoted to mothers carrying fetuses with congenital anomalies or genetic disorders requiring prenatal and postnatal intensive surgical and medical care. The Children's Hospital of Philadelphia is an equal opportunity, affirmative action employer. Women and minority candidates are strongly encouraged to apply.

Contact: R. Douglas Wilson M.D., The Center for Fetal Diagnosis & Treatment, The Children's Hospital of Philadelphia, 5th Floor, Wood Center, 4th Street and Civic Center Boulevard, Philadelphia, PA 19104, 1-800-INUTERO, wilsonrd@email.chop.edu

COLUMBIA RIVER WOMEN'S CLINIC

The Dalles, OR

Columbia River Women's Clinic is a private physician group located in The Dalles, Oregon, about an hour east of Portland. FREE RESOURCE FOR RESIDENTS & FELLOWS

Residents and Fellows.

It's time to start considering practice opportunities.

There are thousands of hospitals and single- and multi-specialty groups with opportunities available for you to consider. How do you find and win exactly the right practice opportunity?

NewPhysician has the answers.

NewPhysician is a free resource that was created to help residents and fellows get the information necessary to make informed choices in their careers. During the past five years, NewPhysician has helped thousands of residents and fellows evaluate opportunities by providing answers to questions like: Will I get to live wherever I wish? What do the compensation surveys indicate I should expect for my specialty? How can I successfully negotiate for help paying off my loans? What are "income guarantees" and how can they benefit me? Will this job be in the type of organization in which I would like to work? Will I get to treat the patients and conditions I want to treat? How often will I have to take call? What hours will I be expected to work? What does each element in a contract mean and how does each apply to my situation? How will I learn the business of medicine, how to successfully operate my practice? What questions should I ask during the interview? When will a decision be expected? Who should mentor me in my first months in my own practice?

You're just a call or click away. For more info contact: NewPhysician, (866) 756-0003, www.newphysician.com

Devoted to Exceptional Medicine and Compassionate Care

Outstanding OB/GYN Opportunity
PeaceHealth Medical Group
in beautiful Florence, Oregon

Your dream of living on the beautiful Oregon Coast can become a reality.

With a proud heritage of Healing and Compassionate Care, PeaceHealth is devoted to carrying on our healing Mission. If you are a highly committed and a skilled caregiver who understands the importance of delivering exceptional medicine through compassionate care, then you are the Spirit of PeaceHealth.

We have an exciting opportunity for a Board Certified/Board Eligible OB/Gyn to join our practice. Peace Harbor Hospital is a full-service 21-bed acute care facility and level IV trauma center providing health care services to communities in Western Lane County. Health Associates of Peace Harbor Hospital is a multi-specialty group of 25 physicians, one nurse practitioner and two midwives, offering a variety of health care services including primary care, women's and children's health care, obstetrics, orthopedics and general surgery.

The Florence, Oregon area is known as a diverse and rich "playground" destination, where lush green forests meet the ocean's edge along one of America's beautiful and dramatic coastlines. Florence is located where the Siuslaw River meets the Pacific Ocean, 60 miles west of Eugene on the central Oregon Coast. The area boasts 17 lakes, the Siuslaw National Forest, the vast Oregon Dunes National Recreation area and friendly people!

Feedback from Attendees at Past CareerMD Career Fairs

"I am glad to have been part of the career fair in New York. It was a great venue for me to get in contact with future opportunities. I think it was a well-organized and well-planned event."

"As a first-year fellow who did not actively seek opportunities outside academia during residency, this event was an excellent way to meet with individuals in the community and introduce myself more to the possibility of practice outside of the university setting. I thought it was a good size event (not too many or too few people to talk with), and that the individuals I met with were quite knowl-

edgeable about the situation in their community (even beyond their own institutions)."

"The Career Fair was very helpful in my search for an Addiction Psychiatry position. I was able to network, get tips on geographical locations and current hospitals of interest."

"Just wanted to thank you for the great job fair that you and CareerMD.com organized here in Boston. I found excellent opportunities and information from all the employers. Thanks a lot!"

"Thanks for organizing the career fair. I enjoyed it and I got to meet a lot of prospective employ-

ers - I have contacted two since that time. Space was well-distributed, and I also appreciate that you sent out a list of which hospitals were looking for which spots, so I could read in advance and focus my search."

"Thank you for the invitation to the excellently planned and well-run recruitment fair. The experience was more than I had ever expected. I spent a lot of time with the recruiters in Family Practice and I was able to establish a network and introduce myself to these people. I also met many folks of Hospitalists groups and mingled with them also."
