GROUP HEALTH PERMANENTE

SEATTLE, TACOMA & BELLEVUE, WA

GroupHealth

Group Health Permanente is currently seeking BC/BE General Orthopedic Surgeons with an interest in Foot and Ankle cases to join our teams in Seattle, Tacoma & Bellevue, Washington. The ideal candidate(s) will have a full range of hospital skills and an interest in working in an innovative group practice.

Outstanding, collegial teams, including a number regionally recognized

Top Doctors, make these opportunities worth exploring. Competitive salaries, flexible schedules and generous benefit packages are offered.

Group Health Permanente is one of the largest multi-specialty group practices in the Northwest, with nearly 1000 providers covering 60 specialties, in 26 locations. We are an integrated medical group on the cutting edge of clinical medicine and research and pride ourselves on providing the best quality coordinated care. As a practitioner at Group Health Permanente you will join a collaborative team in a professionally satisfying, patient-centered environment.

Magazines such as Fortune and Money rate Puget Sound communities as some

of the best places to live in America. The Puget Sound area is surrounded by exquisite natural beauty and enhanced by a thriving economy, with a number of shopping, dining and entertainment venues to choose from. The region is home to a strong and vibrant arts and theatre community. The Puget Sound also offers a number of professional and collegiate sports teams. For the outdoor enthusiast there are abundance of recreational activities that include sailing, skiing, kayaking, hiking, biking and more.

NEW PHYSICIAN

FREE RESOURCE FOR RESIDENTS & FELLOWS

Residents and Fellows. It's time to start considering practice opportunities. There are thousands of hospitals and single- and multi-specialty groups with opportunities available for you to consider. How do you find and win exactly the right practice opportunity?

NewPhysician has the answers. NewPhysician is a free resource that

was created to help residents and fellows get the information necessary to make informed choices in their careers. During the past five years, NewPhysician has helped thousands of residents and fellows evaluate opportunities by providing answers to questions like: Will I get to live wherever I wish? What do the compensation surveys indicate I should expect for my specialty? How can I successfully negotiate for help paying off my loans? What are "income guarantees" and how can they benefit me? Will this job be in the type of organization in which I would like to work? Will I get to treat the patients and condi-

tions I want to treat? How often will I have to take call? What hours will I be expected to work? What does each element in a contract mean and how does each apply to my situation? How will I learn the business of medicine, how to successfully operate my practice? What questions should I ask during the interview? When will a decision be expected? Who should mentor me in my first months in my own practice? You're just a call or click away. **For more info contact: NewPhysician, (866) 756-0003, www.newphysician.com**

REGIONAL HEALTH, INC.

SPEARFISH, SD

**PATIENT FOCUSED MEDICINE
BALANCE FOCUSED LIFE!**

Regional Health Physicians is seeking up to two BE/BC general orthopedic surgeons with an interest in sports medicine to join their busy and growing multispe-

cialty group practice in the university town of Spearfish, South Dakota. This unique opportunity offers outstanding compensation, benefits, colleagues, facilities and staff. Spearfish is located near five national parks and at the doorstep of abundant year-round recreation. It is home to Black Hills State University, the third largest university in South Dakota. For quality of life, Spearfish can't be beat,

low cost of living and no state income tax means you bring home more of your income and strong value systems, excellent education opportunities, a low crime rate and no traffic jams make it a wonderful place to live and raise children!

STAFF CARE

NATIONWIDE

Staff Care[®]*The Leader in Locum Tenens Staffing***LOCUM TENENS JOBS NATIONWIDE, ALL SPECIALTIES**

Residents and Fellows. Before You Start Your New Practice, TEST THE WATERS. Enjoy the lifestyle of a locum tenens physician. As a newly graduating physician, consider testing the waters before you decide which permanent practice opportunity best suits your needs. By working locum tenens through Staff Care[®] - the nation's leader in locum tenens staffing - you can pick from numerous geographic locations and clinical settings, testing each for just a few weeks at a time. We have job opportunities that are close to your home, close to where you went to school, close to where you like to play, close to family, and close to your heart. We represent hundreds of organizations (large and small hospitals, public and private clinics and single- and multi-specialty physician groups) looking for physicians to fill temporary assignments. We need every clinical specialty. Staff Care can help you work where you want, when you want (try out several locations and/or practice settings). Staff Care arranges medical malpractice insurance for you, arranges travel and housing for you, assists you with securing expedited medical licensure in the state(s) where you want to work and negotiates premium pay rates on your behalf for working additional hours and being available to take call ... all at no cost to you. Test the waters. You're just a call or click away. **FOR MORE INFO CONTACT: Staff Care, (800) 685-2272, www.staffcare.com**

**WASHINGTON UNIVERSITY
SCHOOL OF MEDICINE**

ST. LOUIS, MO

**Fellowship in Joint Preservation,
Resurfacing and Replacement**

The Department of Orthopaedic Surgery at the Washington University School of Medicine is offering a one-year fellowship in hip and knee reconstructive surgery. The fellowship offers a unique exposure to Young Adult Hip Procedures (arthroscopy, osteoplasty, osteotomy), Hip Resurfacing, and MIS, as well as all aspects of Primary and Revision Hip and Knee arthroplasty. Clinical training is customized to focus on the specific interests of each fellow. Related research opportunities are available. Participating full-time reconstruction attendings: Drs. Robert L. Barrack, John C. Clohisy, James A. Keeney, Ryan M. Nunley

The fellowship is open to orthopaedic surgeons who are either board eligible, board certified and have completed a certified orthopaedic residency training program.

We are currently accepting applications for 2011-12. Applications will be accepted from September 1 to December 31, 2009 **Interested applicants should call or write: John C. Clohisy, MD, Fellowship Director, Washington University School of Medicine, 660 S. Euclid, Campus Box 8233, St. Louis, MO 63110, (314) 747-2566, clohisyj@wudosis.wustl.edu**

*Practice Made
Perfect.*

Banner Health.

Banner Health, Arizona's largest health care provider, is seeking physician specialists to join us in the following employed and group practice models:

+ BE/BC Adult Orthopaedic Surgeons

East Valley (Mesa/Tempe/Gilbert/Chandler). **Banner Orthopaedic Surgical Specialists**, a Banner Health owned and managed practice, has excellent opportunities within this single specialty group of four. This practice is looking to add additional Orthopaedic Surgeons to provide general orthopaedic care along with any specialty interests the physician may have (ankle, hand, etc.). Call and consultation are provided at three East Valley hospitals (Banner Desert, Banner Baywood and Banner Gateway medical centers). Office is located on the campus of our newest hospital, Banner Gateway Medical Center.

+ BE/BC Pediatric Orthopaedic Surgeons

East Valley (Mesa/Tempe/Gilbert/Chandler). Employed practice model with **Banner Children's Pediatric Specialists**. This rapidly expanding pediatric orthopaedic surgery program is seeking candidates who have a major interest in the areas of general orthopaedics, sports and spine. This is an outstanding opportunity to join a multi-specialty group of pediatric specialists and represents an excellent opportunity for exposure to teaching and research. A state-of-the-art, 260-bed children's hospital expansion is under construction and is scheduled for completion in 2009.

- Pediatric population of 350,000+
- PICU with 24/7 Pediatric Intensivists
- 120-bed level 3 NICU staffed 24 hours by neonatologists and neonatal nurse practitioners
- Member of NACHRI

The East Valley is home to over 1.5 million residents and is one of the most "livable" regions in the country. The East Valley communities are filled with exceptional schools, parks, recreational amenities, extensive arts and cultural opportunities as well as sports attractions. Arizona offers near perfect weather, strong universities, ample jobs, sports, recreation, dining and culture for singles, families and couples of all ages. Abundant domestic and international air travel is available from Phoenix as well as proximity to Sedona, the Grand Canyon, southern California beaches, Las Vegas and more. Find out why so many are moving to Arizona.
