CINCINNATI CHILDREN'S HOSPITAL

CINCINNATI, OH

Practice Pediatrics where Cincinnati Children's Hospital is one of the top 3 pediatric hospitals in the USA

- Pediatricians and Med/Peds physicians needed for full and part-time openings with single and multi-specialty group practices.
- Openings for Pediatric Emergency Medicine, Pediatric Hospitalist, Child & Adolescent Psychiatrist and Pediatric Allergy, Asthma Immunology (Faculty position).
- Locations throughout Greater Cincinnati, OH; Northern Kentucky, and SE Indiana.
- Some openings offer loan repayment and teaching opportunities. Compensation and benefit packages are competitive.

Cincinnati MD Resource Center is a non-profit, community based initiative designed as a central resource for opportunities. The health care environment is innovative with nationally recognized hospitals, tobacco-free campuses, and a regional health information organization entitled HealthBridge.

Greater Cincinnati's 14 county region is comprised of three states - Ohio, Kentucky, and Indiana - and is home to almost 2 million people. Awarded by Fortune magazine as one of the top ten places to live and work Greater Cincinnati offers an active arts community including museums, galleries, theater, ballet and opera. Other local amenities include amusement parks, snow skiing, water sports, an aquarium, car and horse racing, casinos and professional football and baseball.

GEARY COMMUNITY HOSPITAL

JUNCTION CITY, KS

Geary Community Hospital, in Junction City, KS is seeking a second pediatrician to join Jacqueline DuBois, MD, in our Pediatric Clinic. The clinic is an established, hospital-owned and managed practice, in a newly remodeled suite located on the hospital campus. With a rapidly-growing patient population, Junction City would benefit from a second pediatrician to meet the increasing demand and to continue a reputation for excellence in a progressive practice.

Geary Community Hospital, in Junction City, Kansas is currently a 92-bed, not-for-profit hospital. In 2006, Geary County voters approved a bond issue that included \$34 million expansion and remodeling project. This will more than double the size of the hospital. Included in this expansion plan is a new Surgery Center and a new Medical/Surgical Unit with three pediatric-specific rooms. The Grand Opening for the expansion is January 18, 2009.

Contact Pam Shelite for more information. Pam Shelite, Director of Marketing, Geary Community Hospital, 866-757-9232, pshelite@gchks.org

LIBERTY HOUSE

SALEM, OR

OCHSNER HEALTH SYSTEM - PEDIATRIC CRITICAL CARE SPECIALIST

NEW ORLEANS, LA

OCHSNER HEALTH SYSTEM in New Orleans is seeking an additional BC/BE PEDIATRIC CRITICAL CARE SPECIALIST to join our 3 physician department.

Our current state-of-the-art 14 bed pediatric intensive care unit opened in the spring of 2005 and provides care to critically ill medical and surgical infants, children, and adolescents under the direct supervision of 3 full-time pediatric critical care fellowship-trained specialists. Services provided include pediatric cardiovascular surgery, cardiac, hepatic, and renal transplantation, ECMO dialysis, HFOV and NO delivery as well as involving pediatric general surgery, ENT, neurosurgical, and orthopedic patients. We also provide sedation services. We have a busy transport team. Our practice is primarily clinical in nature, but opportunities for research may be available.

Ochsner Children's Health Center is a large, multi-specialty group practice with a strong commitment to state-of-the-art tertiary care as well as primary care. The Center includes 57 pediatric specialists and 35 general pediatricians, integrated into Ochsner Health System, an academic medical center. We have a combined pediatric residency program with Tulane Medical School.

Ochsner Health System (www.ochsner.org) is a non-profit, academic, multi-specialty, healthcare delivery system dedicated to patient care, research, and education. The system includes five medical centers, two hospitals, and

40 health centers throughout Southeast Louisiana. Ochsner employs over 600 physicians in 80 medical specialties and sub-specialties and conducts over 300 ongoing clinical research trials annually. We offer a generous and comprehensive benefits package. We also enjoy the advantage of practicing in a favorable malpractice environment in Louisiana. **Please e-mail CV to: profrecruiting@ochsner.org, Ref #APCC8 or call 800-488-2240 for information.**

OCHSNER HEALTH SYSTEM - PEDIATRIC GASTROENTEROLOGIST

NEW ORLEANS, LA

OCHSNER HEALTH SYSTEM in New Orleans is seeking a BC/BE PEDIATRIC GASTROENTEROLOGIST to join an existing division. Experience in inflammatory bowel disease, common GI disorders, and nutrition is desirable. The position involves teaching of medical students and residents from the combined program with Tulane University School of Medicine in New Orleans. Referrals are from active pediatric tertiary care subspecialty group practices as well as from physicians throughout the Gulf South.

Ochsner Children's Health Center is a large, multi-specialty group practice with a strong commitment to state-of-the-art tertiary care as well as primary care. The Center includes 54 pediatric specialists and 32 general pediatricians, integrated into Ochsner Health System, an academic medical center. We have a combined pediatric residency program with Tulane Medical School. We opened a new 40,000 sq. ft. freestanding pediatric ambulatory facility in June 2004. This facility includes Academic General Pediatrics, medical and surgical subspecialty pediatrics with pediatric radiology, laboratory, and pharmacy facilities. In addition, we have a state-of-the-art, 18-bed pediatric intensive care unit and three new pediatric wards. We are also increasing the size of the Neonatal ICU from 36 to 50/55 beds and dedicating a totally computerized pediatric emergency room.

Ochsner Health System (www.ochsner.org) is a non-profit, academic, multi-specialty, healthcare delivery system dedicated to patient care, research, and education. The system includes five medical centers, two hospitals, and 40 health centers throughout Southeast Louisiana. UNIVERSITY OF MISSOURI-COLUMBIA SCHOOL OF MEDICINE

COLUMBIA, MO

The Department of Child Health at the University of Missouri-Columbia School of Medicine is seeking a faculty member for the Division of Pediatric Pulmonary/Allergy Medicine. The division has three pulmonologists working in a busy and diverse clinical and educational program and nationally accredited Cystic Fibrosis Center. Clinical pulmonary activities within the Children's Hospital are enhanced by outstanding staff and facilities that include state-of-the-art pulmonary function laboratory, exercise testing, pediatric sleep laboratory and bronchoscopy. We are seeking an individual at the Assistant or Associate Professor rank with the vision, energy, and skills to be a teacher, practicing pulmonologist, and scholar. There are also opportunities for clinical and/or basic science research as well. Columbia, Missouri is consistently ranked as one of the top small cities in America, and is an ideal location to bring balance between work and family life! Visit our Chamber of Commerce's site for additional information: <http://www.columbiamo.com> / .

Applicants should forward a curriculum vitae and 3 letters of reference to Dr. Peter Konig, Department of Child Health, One Hospital Drive, Columbia, MO 65212 or email: konigp@health.missouri.edu.

The University of Missouri is an Equal Opportunity Employer and complies with the guidelines of the Americans with Disabilities Act of 1990. The department welcomes applications from under represented physician groups. For ADA accommodations please contact our ADA coordinator.

UNIVERSITY OF TEXAS SOUTHWESTERN MEDICAL CENTER AT DALLAS

DALLAS, TX

Pediatric Critical Care Faculty Position

The Department of Pediatrics is seeking an outstanding individual at the Assistant/ Associate Professor level for the Pediatric Critical Care Division at UT Southwestern Medical Center and Children's Medical Center of Dallas. The Critical Care Division offers a variety of opportunities as Clinicians, Educators, Clinical Scholars and Physician Scientists. Clinical research is facilitated by research coordinators and bedside informatics. The candidate should have a proven record of academic success, as well as a strong commitment to teaching. Applicants must be eligible for licensure in the state of Texas and be Board Certified or Board Eligible in Pediatric Critical Care.

The Division of Pediatric Critical Care has a long-standing track record of excellence in clinical and translational research, with multiple lines of support from the NIH and other sources. The Division also has an internationally-recognized training program. The Division plays a vital role in providing expertise in pediatric critical care at CMC Dallas, which admits more than 15,000 inpatients yearly, and in the Parkland Memorial Hospital nurseries that care for more than 16,000 newborn infants yearly. The position offers an outstanding opportunity for personal professional growth and for making major contributions to pediatric critical care locally, nationally and internationally. Remuneration includes a competitive salary and also an incentive compensation plan.

Potential applicants should send a letter of interest and curriculum vitae to: **Fiona Levy, M.D., Associate Professor and Interim Chief of Critical Care Services, Department of Pediatrics, University of Texas Southwestern Medical Center at Dallas, 5323 Harry Hines Blvd., Dallas, TX, 75390-9063, Phone: (214) 456-1791, Fax: (214) 456-8959, E-mail: fiona.levy@childrens.com** The University of Texas Southwestern Medical Center is an Equal Opportunity/Affirmative Action Employer.

UNIVERSITY OF TEXAS SOUTHWESTERN MEDICAL CENTER AT DALLAS

DALLAS, TX

Faculty Positions in General Pediatrics Including Adolescent Medicine and Child Abuse

The University of Texas Southwestern Medical Center at Dallas invites applications for faculty positions at the rank of Instructor, Assistant/Associate Professor or Professor in the Division of General Pediatrics. Applicants can expect an opportunity for a well-balanced career in teaching, research, and clinical medicine. The medical campus, which houses the medical school and its affiliated hospitals, offers all the resources that are necessary for a productive academic career.

We specifically seek physicians with expertise in the following areas: Adolescent Medicine, Child Abuse, and General Pediatrics. The Division of General Pediatrics is located in Children's Medical Center of Dallas, a state-of-the-art 406 bed free-standing facility that provides comprehensive care to the children of Dallas and surrounding areas. Members of the Division attend both on in-patient and ambulatory services, where they supervise and teach residents from the categorical pediatric residency training program and students from UTSW School of Medicine.

Candidates must be trained in and board eligible or certified in Pediatrics, and have a dedication to academic excellence. Positions commensurate with experience. Applications from minority and female candidates are encouraged. A letter of interest and curriculum vitae should be sent to: **Glenn Flores, M.D., Professor and Director, Division of General Pediatrics, Judith and Charles Ginsburg Chair in Pediatrics, Department of Pediatrics, University of Texas Southwestern Medical Center at Dallas, 5323 Harry Hines Blvd., Dallas, TX 75390-9063, Phone: (214) 648-2424, Fax: (214) 648-3220, E-mail: glenn.flores@utsouthwestern.edu** The University of Texas Southwestern Medical Center is an Equal Opportunity/Affirmative Action Employer.

UNIVERSITY OF TEXAS SOUTHWESTERN MEDICAL CENTER AT DALLAS

DALLAS, TX

Faculty Positions In Hospitalist Medicine

The University of Texas Southwestern Medical Center at Dallas seeks BC/BE Pediatricians to join the Hospitalist Medicine faculty at UTSW. Positions are available at the Instructor, Assistant or Associate Professor level, commensurate with experience. The Hospitalist Medicine faculty are members of the Department of Pediatrics, who provide clinical services at Children's Medical Center of Dallas. The main campus of the medical center is a state-of-the-art 406 bed free-standing facility that is based in Dallas, and provides comprehensive care to the children of Dallas and surrounding areas. Children's Medical Center also operates a new satellite facility in Plano, Texas.

At the Dallas campus, Hospitalist Medicine faculty primarily attend on the in-patient hospitalist services, where they also supervise and teach residents from the categorical pediatric residency training program, family medicine residents from affiliated institutions, and students from UTSW School of Medicine. At the Plano campus, Hospitalist Medicine faculty staff in-patient hospitalist services, and play an integral role in the referral network.

Applicants can expect opportunities to establish well-balanced careers through experiences in clinical medicine, teaching, and other academic pursuits. The medical campus, which houses the medical school and its affiliated hospitals, offers all the resources that are necessary for a productive academic career. Applications from minority and female candidates are encouraged. A letter of interest and curriculum vitae should be sent to: **M. Douglas Baker, MD, Director of Medical Services, Professor, Department of Pediatrics, University of Texas Southwestern Medical Center at Dallas, 5323 Harry Hines Blvd., Dallas, TX. 75390-9063, Phone: (214) 456-4472, Fax: (214) 456-2397, E-mail: douglas.baker@utsouthwestern.edu** The University of Texas Southwestern Medical Center is an Equal Opportunity/Affirmative Action Employer.

Excellent opportunity in
pediatric emergency medicine
at Baptist Memorial in Memphis

At this five-room, dedicated pediatric emergency department a staff of in-house pediatric emergency physicians see more than 800 children a month, and the service continues to grow. Our pediatric emergency physicians have admitting privileges and provide pediatric hospitalist service at the hospital's 19-bed, inpatient Hardin Pediatric Center. This total care environment adds to the high-quality pediatric services of Baptist Memorial.

This is an exciting time to be part of the future of Baptist Memorial with new plans for growth recently approved.
