MEDICAL COLLEGE OF GEORGIA (MCG)— Augusta, GA. Growing Department Seeks New Faculty in Adult, Child and Adolescent and Neuroscience Programs. The Medical College of Georgia (MCG) Department of Psychiatry and Health Behavior is recruiting faculty in adult, consultation/liaison, forensic, child and adolescent and public psychiatry. Both clinician-educator and research intensive positions are available, including a dedicated research neuroscientist position in psychotic disorders. The department, which is growing and financially stable, has strong training programs in general, child and adolescent, and forensic psychiatry, an internship program in health psychology, and competitively funded clinical and preclinical research. Our new public psychiatry partnership expands our faculty recruitment, educational and clinical research opportunities. MCG's strong research infrastructure includes core laboratories, statistical consultation and core genetics facilities. Extensive research training program for junior faculty includes a master's program in clinical translational, internal grant programs with generous career development awards. Augusta, home of Masters Golf Tournament, is a charming Southern city with low cost of living

(particularly housing), and is close to Georgia/Carolina mountains and Georgia/Florida coast. The position has excellent salary and benefits. Academic appointment depends on qualifications. MCG is an equal employment, equal access and equal educational opportunity and affirmative action institution. It is the policy of the University to recruit, hire, train, promote and educate persons without regard to age, disability, gender, national origin, race, religion, sexual orientation or veteran status. See <http://www.mcg.edu/som/psychiatry/> for more information. Contact: Peter F. Buckley, MD, Chairman, [pbuckley@mcg.edu](mailto:pbuckley@mcg.edu) or (706) 721-6719

 **Southboro Medical Group**

Atrius Health

SOUTHBORO MEDICAL GROUP ATRIUS HEALTH— Southboro, MA. For more than 35 years, Southboro Medical Group has delivered exceptional care to the communities of Boston's dynamic Metrowest Region. Today we're one of the area's largest multi-specialty group practices with more than 70 providers including primary care physicians and specialists working at sites in Southboro, Framingham, Westboro, and Milford. Our continued expansion has created exceptional opportunities and we are currently recruiting a full-time psychiatrist to join our outstanding Counseling Services department which consists of psychiatry, psychology, licensed clinical social workers and licensed mental health counselors. Candidates must be Board Certified or Board eligible and have experience with various forms of mental health disorders. We welcome candidates with experience and/or interest in working interdepartmentally with patients with chronic diseases (experience in working with diabetes and/or obesity would be especially welcome to complement our cutting-edge Diabetes Program). Ability to work with populations of all ages is preferred.

Southboro Medical Group offers a competitive salary with production bonus and great benefits which include Liability Insurance, Medical Insurance, Long and Short Term Disability, Savings and Retirement Plan, Flexible Spending Account. Vacation Time is four weeks the first year and five weeks for subsequent years. Sick Time is ten days per year. ## communitypsychiatry ASSOCIATES

COMMUNITY PSYCHIATRY ASSOCIATES— J1 and H1 Opportunities in California and Michigan Community Psychiatry is a group of 17 private practice offices near San Francisco, San Jose, Sacramento, California and Ann Arbor, Michigan. The group works with hospitals, physicians and psychotherapists to provide patients with knowledgeable, compassionate psychiatrists. The company employs 32 psychiatrists in groups of about three psychiatrists per office. The practice recently began participating in a telemedicine program to provide access to psychiatric care in California's rural areas. We seek to create a work setting which provides clinical autonomy, financial security, and freedom from the administrative chores of a private practice. Our staff provides full administrative support including scheduling, collections, and insurance utilization. Clinicians make all decisions regarding frequency and duration of visits. Our patients represent a broad range of demographics and diagnoses. While the focus of our practice is psychopharmacology, most

psychiatrists incorporate psychotherapy into their work which can include up to 5 hours/week of individual psychotherapy. Half-hour sessions provide further opportunity to address patients' psycho-social needs. In addition to competitive salaries, we provide malpractice, full medical, dental, and vision coverage. Our psychiatrists work 40 hours/week, 46 weeks/year with 30 days/year as paid time off. After the first year, physicians accumulate bonus productivity credits and have the option to participate in a pension fund by allocating tax-free earnings. By providing excellent care to our patients and creating a supportive work environment for our psychiatrists, our company combines the best of private practice with the ease and security of an employed position. For further information please contact: Stephani Sunseri, Director of Operations, Community Psychiatry Associates, Tel: (800) 244-5807, Fax: (916) 285-0338, MDcv@communitypsychiatry.com

## PCSD

University of California  
San Francisco

UCSF FRESNO AND CENTRAL CALIFORNIA FACULTY MEDICAL GROUP— UCSF FRESNO CHILD & ADOLESCENT PSYCHIATRY FACULTY POSITIONS. The University of California San Francisco-Fresno Medical Education Program (UCSF Fresno) and Central California Faculty Medical Group (CCFMG) are seeking candidates for two 1.0 FTE faculty positions in conjunction with the development of a Child & Adolescent Psychiatry Fellowship within the UCSF Fresno Department of Psychiatry. Each faculty member will be actively involved in the development of the fellowship program and will participate in clinical and didactic teaching once the fellowship begins. Each faculty member will also provide clinical services within the mental health programs offered by the Fresno County Department of Children and Family Services, the major clinical teaching site of the fellowship. One faculty member will serve as site coordinator/clinical supervisor for the Outpatient Clinic and Intensive Services rotations; the other faculty member will serve as the site coordinator/clinical supervisor for the Juvenile Justice and Forensic rotations. The current General Psychiatry Residency Program at UCSF Fresno trains four residents per year in a four-year program. Medical students from UCSF do core and elective rotations at Community Regional Medical Center, another major educational affiliate. Fresno offers a modest cost of living with close proximity to national parks and other recreational activities. Salary and faculty appointment are commensurate with experience. Must be Board Certified/Board Eligible. Email or FAX CV and 3 references to: CCFMG, Attn: Diane O'Connor FAX: (559) 443-2691 EMAIL: [Diane.Oconnor@ccfmg.org](mailto:Diane.Oconnor@ccfmg.org) Visit our website: [www.universitymids.com](http://www.universitymids.com) and [www.fresno.ucsf.edu](http://www.fresno.ucsf.edu) "UCSF seeks candidates whose experience, teaching, research, or community service has prepared them to contribute to our commit-

ment to diversity and excellence. UCSF is an affirmative action/equal opportunity employer. The University undertakes affirmative action to assure equal employment opportunity for underutilized minorities and women, for persons with disabilities, and for covered veterans. The University is an 'Equal Opportunity/Affirmative Action Employer.' All qualified applicants are encouraged to apply, including minorities and women."

## McLAREN REGIONAL MEDICAL CENTER

### A McLAREN HEALTH SERVICE

MCLAREN REGIONAL MEDICAL CENTER— "Looking for Psychiatrist interested in developing a busy psychiatry practice within a system that values Behavioral Health Services." McLaren Regional Medical Center has an opportunity for the "right" candidate to transition an existing psychiatry practice of a recently retired psychiatrist. The practice provides services to both Genesee and Lapeer Counties. It consists of mostly adult psychiatry patients and would be an excellent "start-up" for a psychiatrist just beginning their career or an established psychiatrist moving to the area.

- Competitive salary
- Full benefits package
- Both outpatient & Inpatient
- Weekend Call Ratio 1/6

McLaren Regional Medical Center is a 458-bed teaching hospital. Based in Flint, Michigan, and affiliated with Michigan State University College of Human Medicine, MRMC blends the experience and expertise of its medical staff with MSU's physicians-in-training, thereby delivering academic, clinical and research-based innovations, world-class treatment, and cutting-edge technology to mid-Michigan residents. Mid-Michigan... A Great Place to Work and Live. Michigan is a recreational haven famous for its pristine lakes and woodlands. Genesee, Lapeer, and Ingham counties are ideally located for boating, skiing, snowboarding, camping, hiking, fishing, and golfing. An excellent interstate highway system intersects I-75 and I-69 near Flint, giving quick access to Detroit and Ann Arbor to the south, Lansing and Chicago to the west, or Port Huron and the Canadian border to the east. For more information, please contact: Sharon Baker Director Business Development & Recruitment at tel: 810-342-4894 email: [sharonb@mcclaren.org](mailto:sharonb@mcclaren.org)
