At Carilion Clinic, in the heart of Virginia’s Blue Ridge, you’ll not only build a career, you’ll help lead the way in the transformation of patient care.

Carilion Clinic is the largest community-based, integrated health system serving nearly one million people in Virginia, with seven hospitals, 205+ practice sites and 24 GME programs. This network of 695+ physicians in over 75 specialties offers Carilion physicians faster access to patient information and histories with the sophisticated, fully integrated Epic electronic medical record system and excellent access to subspecialty consultation.

The Virginia Tech Carilion School of Medicine and Research Institute leverages Virginia Tech’s world-class strength in basic sciences, bioinformatics and engineering with Carilion Clinic’s highly experienced medical staff.

Virginia’s western region is one of the best kept secrets, with natural beauty, exceptional amenities and an unparalleled quality of life. The region features award-winning schools, nationally ranked and internationally acclaimed colleges and universities and a rich array of arts, humanities and cultural experiences.

HCA Giving physicians what they need

We prioritize your patient's health and comfort above all else.

We're not just here for you. We're here because of you.

HCA was founded by physicians. Their purpose was to create an environment where healthcare can flourish. They believe the best patient care begins with giving physicians what they need.

Today, over 130,000 healthcare professionals, including over 37,000 active physicians, choose to work with us. They believe that their rich heritage, clinical excellence and community spirit make HCA an exciting place to build your career.

70 years of innovation. 132 years of tradition.

We are the first place to go for the best care. We are the place to go for the best care.
