Pediatric Gastroenterologist
The Children’s Hospital at Dartmouth, Dartmouth-Hitchcock Clinic, and Dartmouth Medical School seek an experienced, BC/BE Gastroenterologist. Excellent clinical and teaching skills are essential, clinical interest in motility disorders or inflammatory bowel disease preferred. Collaboration with clinical program development and research will be actively supported. This position includes appointment to the faculty of the Department of Pediatrics and Dartmouth Medical School at a rank commensurate with experience and academic portfolio. Qualified applicants seeking visa waivers will be considered, along with qualified candidates seeking full or part-time employment.

The Children’s Hospital at Dartmouth is a 65-bed children’s hospital located at Dartmouth Hitchcock Medical Center. Dartmouth-Hitchcock Medical Center is a state-of-the-art facility located in the Upper Connecticut River Valley of New Hampshire, a scenic setting in which to live and work. Outdoor activities abound in and around this New England college town environment.

Direct letter of interest and curriculum vitae to:

Pamela Hofley, MD
Dartmouth-Hitchcock Manchester
100 Hitchcock Way
Manchester, NH 03104
Pamela.M.Hofley@Hitchcock.org

Pediatric Neurologist
The section of Pediatric Neurology at Children's Hospital at Dartmouth and Dartmouth-Hitchcock Medical Center seeks a Board certified/eligible Pediatric Neurologist. Additional specialty interest or expertise is desirable, but not necessary. The position includes appointment to the Dartmouth Medical School faculty at a rank commensurate with experience and academic portfolio. Excellent clinical and teaching skills are essential, and research interests will be supported. Although this is a full-time position, we will consider candidates who wish to work part-time as well. Currently, our section consists of several talented, dedicated individuals who enjoy living and working in a beautiful rural setting with all of the benefits of a top-notch academic medical center and nearby Dartmouth College.

Direct inquiries and curriculum vitae to the Chair of the Pediatric Neurologist Search Committee:

John Modlin, MD
Chair, Department of Pediatrics
Dartmouth-Hitchcock Medical Center
One Medical Center Drive
Lebanon, New Hampshire 03756
Ph: 603-653-6041
Email: John.F.Modlin@Dartmouth.edu

BCCH
VANCOUVER, BC

BCCH cares for BC’s most acutely ill or injured children and offers a broad range of tertiary health services. BCCH operates a wide number of specialized health programs, is a leading acute care teaching facility and conducts research to advance health and care through the CFRI and UBC.

As a member of our multidisciplinary team, you will:
• provide exemplary medical care in TCU and the acute care area of the PICU to critically ill children with diverse medical and surgical conditions
• work actively to encourage a culture of teamwork and collaboration
• assist in transporting patients through medical escorts, as necessary
• participate in quality assurance and quality improvement activities

In addition, you may be required to mentor/teach a variety of trainees in the PICU.

You are eligible to practice in BC and possess two years of post-graduate training in Pediatrics, Anesthesia, Emergency Medicine or Critical Care, with at least two months of Pediatric ICU experience. FRCPC certification in Pediatrics and further subspecialty training in Pediatric Critical Care Medicine, Pediatric Anesthesia or Pediatrics Emergency Medicine are considered assets.

For information, contact Dr. Peter Skippen, MD, FRPC, Division Head/Medical Director, BCCH: pskippen@cw.bc.ca. Please submit your CV and cover letter, in confidence, quoting Competition # PHSA 05-12-2180 to: PHSA Specialty Physician Recruitment, Suite 800 – 1441 Creekside Drive Vancouver, BC V6J 4S7. Email: physicians@phsa.ca or Fax: 604-875-7253. Deadline is December 19, 2008.

CENTRACARE CLINIC
ST. CLOUD, MN

CentraCare Clinic is seeking:

1. BC/BE pediatrician to work at a dedicated pediatric and obstetric & gynecology clinic within a multi-specialty group. Inpatient care at regional medical center offering a PICU and a Level 3 NICU. Current call schedule is 1:18. Competitive salary and benefits.

2. BC/BE fellowship-trained pediatric critical care physician to join two others at a regional medical center in Central Minnesota. Experience in ventilator management, acute respiratory illness and post-operative care is needed. This five-bed PICU with a referral area of 640,000 works in collaboration with the University of Minnesota to provide many pediatric and surgical specialties. Strong emphasis is required in pediatric respiratory disorders, procedural sedation and child and adolescent trauma management. This is a great opportunity to expand the program, including transport services and a free-standing sedation unit. Competitive salary and benefits.

Community: St. Cloud, Minnesota, only one hour north of Minneapolis/St. Paul, has four colleges and offers a wholesome family atmosphere with numerous four-season recreational activities, sporting and cultural events. It is a thriving community of 125,000 with a 12-county service area of 640,000.

Contact: Karla Donlin, Physician Recruiter, 1406 Sixth Avenue North, St. Cloud, MN 56303; (800) 835-6652, ext. 54192; Fax (320) 255-5722; E-mail: donlink@centracare.com; www.centracare.com

CHRISTIANA CARE HEALTH SYSTEMS
MID-ATLANTIC REGION

Christian Care Health System, with facilities located in Wilmington and Newark, Delaware, is one of the nation’s largest, private, teaching healthcare providers in the Mid-Atlantic Region, serving all of Delaware and portions of Pennsylvania, Maryland and New Jersey.

Join the professional staff of the Department of Pediatrics at Christiana Hospital as a Pediatric Hospitalist. In this integral role, you will attend to general pediatric patients and well newborns, consult for our busy ED and Pediatric Trauma, and assist in the Level III NICU, DR and Newborn Transport. Be prepared to act as faculty for Pediatric and Family Practice Residents and Thomas Jefferson Medical Students.

Why Christiana Care Health System?
• Nearly 1,100 licensed hospital beds and close to 7,000 births annually.
• One of the nation’s largest, private healthcare providers in the Mid-Atlantic Region.
• Only Level-1 trauma center in Delaware with a Level-III NICU.
• Ranked in the top 50 hospital nationwide by U.S. News & World Report’s “America’s Best Hospitals.”
We offer outstanding family benefits for full and part-time employees, competitive salaries and multiple opportunities for career growth. Remarkable resources, awesome technology, unsurpassed teamwork and phenomenal benefits - it’s all right here, come see for yourself!

For more information or to apply online, please visit our careers page at www.christianacare.org/careers, Job Req #21224 or you can contact Kelly Whitmarsh, Physician Recruiter at 302-623-3019 or kwhitmarsh@christianacare.org.

We are an Equal Opportunity Employer, M/F/D/V.

DOThan PEDIATRIC CLINIC

LOMA LINDA UNIVERSITY HEALTH CARE
SOUTHERN CALIFORNIA

Academic Pediatric Opportunities in Southern California

Loma Linda University Health Care’s Department of Pediatrics has immediate openings for full time Board Certified/Eligible Pediatricians, specializing in the following areas:

- Peds Allergy & Immunology
- Peds Forensic Medicine (Child Abuse and Neglect)
- Peds Gastroenterology
- Peds Genetics
- Peds Hematology & Oncology
- Peds Infectious Disease
- Peds Surgery

Loma Linda University Medical Center and Children’s Hospital, is strategically located in the center of Southern California and has the largest Level III NICU in California, serving approximately 25 percent of the state. The Children’s Hospital is one of the few centers for pediatric cardiac transplants and ECMO in California, and is developing a Perinatal Care Center with a focus on prenatal diagnosis to better serve the large population of high risk pregnancies and infants with prenatally diagnosed congenital anomalies. The Medical Center and Children’s Hospital supports team centers for cystic fibrosis, hemoglobinopathies, spina bifida, and craniofacial anomalies.

Loma Linda University Medical Center and Children’s Hospital is located in an area of Southern California known as the “Inland Empire”, with a population of over 3.3 million. Showcasing one of the nation’s most favorable climates, there are opportunities for many outdoor activities such as mountain biking, snowboarding, skiing, surfing, and fishing. In addition, with Los Angeles and Orange County in close proximity, the arts and culture are endless.

To submit your CV for consideration, please contact: Loma Linda University Health Care, (800) 328-1163, recruitmd@llu.edu, www.llu.edu/recruitmd

LUCILE SALTER PACKARD CHILDREN’S HOSPITAL
STANFORD, CA

The Department of Pediatrics at Lucile Packard Children’s Hospital at Stanford is recruiting BC/BE pediatricians to join our Cardiovascular Intensive Care Unit (CVICU) medical team as CVICU hospitalists on a part-time basis. We have positions open from now through June 30, 2009 and possibly afterwards, for periods ranging from a minimum of two weeks to as long as 6 months, and potentially up to one year. Applicants should have completed an ACGME-approved pediatric residency, and have some additional post-graduate experience in pediatric critical care, neonatology, or cardiology, either in fellowship or in a hospitalist role. Board certification or eligibility in critical care medicine or cardiology is a plus but not a requirement. Our CVICU is a dedicated 12-bed cardiac intensive care unit specializing in the care of children of all ages and selected adults with congenital and acquired heart disease in a tertiary care, academic children’s hospital. We are currently performing > 500 cardiac surgical procedures annually. The CVICU is expanding to 20 beds in January 2009, and we are increasing the size of our team in preparation for the expansion. This position is ideally suited to physicians with experience in pediatric critical care who desire additional experience in a busy tertiary surgical program with a highly complex patient mix. There are teaching opportunities with nurse practitioners, residents, and fellows. Salary and benefits, including travel expenses, are competitive.

For more information, please contact Dr. Daniel Bernstein, Chief of the Division of Pediatric Cardiology at danb@stanford.edu.
About Stanford University
As part of a world-class academic institution, Stanford University stakes our reputation on preparing future leaders in pediatric medicine. Internationally recognized as experts in their fields, our faculty members offer broad-based training in general pediatrics, critical care and pediatric subspecialties within a variety of ambulatory, inpatient and community settings. Guided by a strong ethic of social responsibility, the department also supports a number of community-based programs addressing obesity, asthma, and other issues impacting the health of children and adolescents in the Bay Area and around the globe. Tightly integrated with our educational activities, these programs provide hands-on learning to equip our graduates with the skills they’ll need as future advocates of children’s health.

UNIVERSITY OF TEXAS SOUTHWESTERN MEDICAL CENTER AT DALLAS
AND CHILDREN’S MEDICAL CENTER OF DALLAS
DALLAS, TX

Faculty Positions in General Pediatrics and Pediatric Hospitalist Medicine

The University of Texas Southwestern Medical Center at Dallas invites applications for faculty positions at the rank of Instructor, Assistant/Associate Professor or Professor in the Division of General Pediatrics. Applicants can expect an opportunity for a well-balanced career in teaching, research, and clinical medicine. The medical campus, which houses the medical school and its affiliated hospitals, offers all the resources that are necessary for a productive academic career.

We specifically seek physicians with expertise in the following areas: Adolescent Medicine, Child Abuse, and General Pediatrics, and Pediatric Hospitalist Medicine. The Division of General Pediatrics is located in Children’s Medical Center of Dallas, a state-of-the art 406 bed free-standing facility that provides comprehensive care to the children of Dallas and surrounding areas. Members of the Division attend both in inpatient and ambulatory services, where they supervise and teach residents from the categorical pediatric residency training program and students from UT Southwestern School of Medicine.

Candidates must be trained in and board eligible or certified in Pediatrics, and have a dedication to academic excellence. Positions commensurate with experience. Applications from minority and female candidates are encouraged. A letter of interest and curriculum vitae should be sent to:

Glenn Flores, M.D. Professor and Director, Division of General Pediatrics, Judith and Charles Ginsburg Chair in Pediatrics, Department of Pediatrics, University of Texas Southwestern Medical Center at Dallas, 5323 Harry Hines Blvd., Dallas, TX 75390-9063, Phone: (214) 648-2424, Fax: (214) 648-3220, E-mail: glenn.flores@utsouthwestern.edu.

The University of Texas Southwestern Medical Center is an Equal Opportunity/Affirmative Action Employer.

TEAMHEALTH EAST
Turnersville, NJ
Seeking a part-time physician for an opportunity at a hospital in a young, growing community. Must be BC/BE in pediatrics with current PALS and NALS certifications. In addition to inpatient care, this physician will also provide ED coverage for all patients 17 years old or younger who present to the ED. Shifts run from 7AM to 7PM or 7PM to 7AM. The physician must be available for a mix of days and nights, weekends and weekdays, and holidays. This physician will also supervise and educate medical students, Interns and emergency medicine residents rotating through pediatrics. Great work environment and competitive rates!

Children’s Specialized Hospital, New Jersey’s largest provider of both inpatient and outpatient services to children with developmental disabilities, seeks two Board Eligible/Certified Developmental and Behavioral Pediatricians. The appropriate candidates will join our staff of 8 Developmental Behavioral Pediatricians, 3 Pediatric Psychiatrists, 1 Pediatric Neurologist and 4 Pediatric Physiatrists, as well as 7 Nurse Practitioners to assist in care. Additionally, we have a large and talented complement of psychologists, physical, occupational and speech therapists on staff. With 16,000 patients in our system, we serve a large population of children with special needs such as Autism Spectrum Disorder, Attention Deficit/Hyperactivity Disorder and Cerebral Palsy.

Earlier this year, we completed the construction of a state of the art inpatient rehabilitation hospital on the campus of Robert Wood Johnson University Hospital in New Brunswick and are fully renovating our main outpatient site in Mountainside, New Jersey. We currently have three outpatient facilities located in northern and central New Jersey and we anticipate continued growth. We are affiliated with UMDNJ- Robert Wood Johnson Medical School and our faculty is eligible for academic positions at the medical school. There are ample opportunities to participate in student teaching and research. Our remuneration and benefits package are very competitive.

Recently honored as 2008 Best Place to Work in NJ by NJBIZ

If you would like to be considered, please email: umehta@childrens-specialized.org, fax 908.301.5531, or send your CV to: Children’s Specialized Hospital. Attn: Dr. Mehta, Associate Medical Director. 150 New Providence Road, Mountainside, NJ 07092. EOE M/F/D/V

Excellent opportunity in pediatric emergency medicine at Baptist Memorial in Memphis

At this five-room, dedicated pediatric emergency department a staff of in-house pediatric emergency physicians see more than 800 children a month, and the service continues to grow. Our pediatric emergency physicians have admitting privileges and provide pediatric hospitalist service at the hospital’s 19-bed, inpatient Hardin Pediatric Center. This total care environment adds to the high-quality pediatric services of Baptist Memorial.

This is an exciting time to be part of the future of Baptist Memorial with new plans for growth recently approved.
