AUBURN REGIONAL MEDICAL CENTER—Great opportunity near Seattle and Tacoma! Auburn Regional Medical Center in Auburn, WA is assisting in the recruitment of an Orthopedic Surgeon to join a well established practice. Preferred qualifications include a background in spine, hand, foot, or sports medicine, but general orthopedic surgeons will be considered, as well. The new physician will see 25-35 patients per day, and the position offers shared call and a competitive compensation that increases upon partnership. The practice also has an in-house surgical center, PT and imaging on site. Auburn Regional Medical Center, which is owned by Universal Health Services, is a 149-bed facility with 6 OR suites. Auburn is located about 20 miles south of Seattle and has a population of around 35,000. The service area for the hospital is over 175,000. It is a beautiful area offering easy access to all of the recreational, cultural and educational activities of both Seattle and Tacoma. For more details about the hospital, visit. Auburn is centrally located between Seattle and Tacoma in the heart of the Green River Valley with easy access to the best of both cities. Auburn is a quick 30 minute drive to all Seattle has to offer and more, and a 20 minute drive to Tacoma. Amenities like Pike Place Market, Benaroya Hall, Seattle Art Museum and Tacoma Chihuly Museum of Glass are all within easy reach. EOE.
